

## Introduction

SKRAU, Bikaner is located in Beechwal on Bikaner- Sriganganagar road. SKRAU is the Pioneer University in Rajasthan which was established in 1987 at Bikaner. It is ranked 29<sup>th</sup> among all SAU's of India and 1<sup>st</sup> among 06 state Agricultural Universities of Rajasthan. Directorate of Human Resource Development (DHRD) is working under the aegis of SKRAU to strengthen the human resource of university by organizing the Orientation Course, Refresher Course, winter/summer school, short and long term need based training programme, workshop, seminar etc. DHRD also organizes the educational programmes for officer of DOA, Public & Private agribusiness personnel and persons from other educational institutes.

In the national agricultural economy, oilseeds are important next only to food grains in term of area, production and value. Groundnut shall continue to be an important oil seed crop for the arid and semi arid regions. This calls for a considerable growth in production which has to come mainly from the increase in productivity. To increase the productivity further, advance management practices has to be adopted by the farmers. To make it possible the extension specialties particularly the middle levels officers of the Agriculture department of states has to be trained in these advance practices recently recommended and released by the SAU'S. By adopting advance technologies, farmers can boost their groundnut production and increase their income which leads to improvement in their livelihood and therefore, DHRD is going to organize a model training course (MTC) sponsored by Directorate of Extension (DOE), Ministry of Agriculture & farmers welfare, GOI, New Delhi, on "Advance Management practices in groundnut" from 19-26, September 2019.

## Course objective:
