F.No. PPS/DDG(Education)/ICAR-AU/2025

Dated the 23rd September, 2025

Dear Vice Chancellor Colleagues,

Greetings from the ICAR!!

It is a matter of pride that your university is an important and integral part of the ICAR-Agriculture University (AU) system and working in tandem with the ICAR for providing the quality education, research outcome and extension services to the stakeholders. As you are aware, it was mutually agreed that 15% (now 20%) of the undergraduate (UG) seats under the ICAR quota in your university will be filled based on the All-India Competitive Examination being conducted by ICAR and the same is in practice for more than 25 years. Also, I understand that the agriculture and agriculture education are State subjects as per the Constitution and governed largely by the State Govt. policies with targeted welfare of the respective State stakeholders. The ICAR while conducting the All-India Entrance Examination (now Common University Entrance Test-CUET) through National Testing Agency (NTA) for the ICAR seats (20%) in AUs, the eligibility of subject Agriculture/Inter-agriculture besides core subjects of Physics, Chemistry, Biology and Mathematics in 12th standard, is also considered. While inviting the seat matrix of UG programs from AUs and essential subject eligibility for admission, many AUs are not according due importance to the candidates with subject Agriculture/Inter-agriculture. The inclusiveness of candidates from the states offering Agriculture/Inter-agriculture in 12th standard needs to be considered in the larger National interest. Therefore, kindly take up the issue and ensure corrective steps in this direction without disturbing the State welfare and creating unnecessary legal hurdles.

I am hopeful that positive and pragmatic interventions on your part in inclusion of subject Agriculture/Inter-Agriculture as an essential subject eligibility in your AU for admission to UG programs, under the ICAR quota seats, will be immensely beneficial to the candidates with subject Agriculture/Inter-Agriculture in the 12th standard. An early response to the matter will help in implementing the eligibility from the current session.

This is being sent with the approval of Secretary, DARE and Director General ICAR.

With warm regards,

Yours sincerely,

(J.K. Jena)

2.0 ELIGIBILITY CRITERIA FOR ADMISSION

A candidate must ensure that he/she is eligible for admission to the desired course before filling the online application form for JET as detailed in the JET booklet. Applying for JET, appearing in the examinations, allotment of the college and qualifying for the same does not necessarily mean acceptance of eligibility. **If a non-eligible candidate is admitted due to any reason, then the allotment or admission of such a candidate will be cancelled as soon as the mistake is detected even at later stage.** Various eligibility criteria for admission through JET are as under: -

2.1 EDUCATIONAL QUALIFICATION

The candidates who have passed the Senior Secondary (10+2) examinations conducted by the Board of Secondary Education Rajasthan, Ajmer or any other Statutory Board or any examinations recognized equivalent to by the university in any of the combinations of following subjects in Science/Agriculture stream are eligible to appear in JET:

Agriculture (A), Biology (B), Chemistry (C), Mathematics (M) and Physics (P) *i.e.* ABC or PCM or PCB or PCMB or PCA

For Admission to B.Tech. (Food Technology): Out of combination of Agriculture (A), Biology (B), Chemistry (C), Mathematics (M) and Physics (P), only PCM or PCB or PCMB or PCA will be eligible.

For Admission to B.Tech. (Dairy Technology): Physics, Chemistry and Mathematics (PCM) subjects are essential at 10+2 level.

Candidate has to attempt three subjects in JET examinations of his/her 10+2 stream only out of the above five subjects *i.e.* Agriculture, Biology, Chemistry, Mathematics and Physics.

Those who want admission to B.Tech. (Dairy Technology) do not have any choice and must attempt only PCM (Physics, Chemistry & Mathematics).
